BCA Meeting

The town of Wrightstown held an information meeting about opening up a section of the Fox River Trail. This meeting was just information, there will need to be many more before any action. As this progress', anyone who lives in that area or rides in that area should show support at the meetings.

Trail Updates

All trails marked and graded, big thank you to Dave and Bob for getting the trails graded. Waiting for the ground to freeze. Once it starts snowing the club will get out panning the snow.

Club Outing

Everything is all set to go, 18 rooms reserved so far. It's up to individual club members to go if there is low snow or no snow. The club will have food and drinks for the members that are there on Saturday night.

2025 – Because of how fast this year filled up, we reserved 22 rooms at the Gateway Lodge in Land 'O Lakes for 1/16 of **2025**. Rooms are dependent on double occupancy and extra people are 15/night.

Fundraiser

Raffle tickets are still available. Call or email the club or Barb if you need more.

The map boxes and maps are ready for distribution. We tried to get them out at the club meeting but if you have a sponsor in your area or know one well, contact Eric to get a box and some

maps. New this year is the Cobblestone in Pulaski and we're working on the Kwik Trip in Pulaski.

ISC Coming to Green Bay

The International Snowmobile Congress will be coming to Green Bay in 2024, from June 13-15. They are looking for sponsorships, \$500 gets 1 registration, logo used in advertisements. Registration for an individual ranges from \$185-\$260. We will need to decide by the March club meeting if we want to be a sponsor.
